*Jack Phillips (Circulation Manager), Ione Essery (Typist), Mary Ward (Secretary-Treasurer), Bob McBrien (Artist), Dave Whitfield (Associate Editor), Dorothy Thorp (Editor), Bob Clubine (Photography), Alex Markham (Advertising Manager).*

After you have left the College, we trust that you will often enjoy reading the pages of the '51 Gateway. May the pictures and articles recall for you many pleasant memories of happy days spent here studying God's Word and enjoying fellowship with other of God's children. We trust that you will pass this year book around to your friends so that they may catch a glimpse of student life and activities at T.B.C. and become prayer warriors of the College. We pray that many young persons desiring to train for the Lord's work may enter our College through this "Gateway".

Our motif symbolizes the '51 class motto — "In Christ we conquer."

- The helmet of salvation is ours through Christ;
- The shield of faith means victory through Christ;
- The Sword of the Spirit means conquest for Christ.

As soldiers of the Cross, we go forth to join our missionary graduates to whom this book is dedicated—CONQUERING AND TO CONQUER THROUGH HIM.

The Editor.

# The Board of Governors Announces...

MR. E. G. BAKER, LL.D.

*President*

*Board of Governors*

*1929—1951.*

For over twenty-one years Mr. E. G. Baker has presided over the Board of Governors in his genial and gracious way. Now, on the advice of his physicians, he has found it necessary to relinquish a position held for so many years with such distinction.

This issue of "The Gateway" would like to pay tribute to Mr. Baker's effective leadership of the Board, his devoted service to the College, the liberality of his Christian stewardship, and his personal interest in the welfare of the student body. It was our delight to see him receive from Queen's University the honorary degree of LL.D., in recognition of his Christian character and able leadership in the world of affairs. Out of a very busy life he has given to the Bible College of his time and talents, and we would express our appreciation of all that he has done. We rejoice that resignation from the Presidency, does not mean severance of his relationship with the College. Mr. Baker will continue to exercise his own distinctive ministry in the work and witness of our Alma Mater.

MR. W. INRIG,

*President*

*Board of Governors*

*1951*

On Mr. E. G. Baker's retirement, Mr. William Inrig was elected to serve as President of the Board of Governors. Mr. Inrig has been for many years a valued member of the Board, and in more recent years has filled the office of Vice-President. On behalf of "The Gateway" we extend to him a cordial welcome into his new office, and assure him of our loyalty and prayers as he enters upon his increased responsibilities.

## Message to the Graduating Class

As young men and women of the graduating class of 1951, you will face a topsy-turvy world. You will be conscious, more than ever, that "we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." How important that all should be girded with the strength of the Lord and the power of His might!

How challenging is this life! How inspiring it is, for a Christian to live in this day and in this generation! The same Lord who called the first disciples in His day is calling young people to-day with a like vital testimony that could shake the world. To see this accomplished you must with Paul say again "That I might know him, and the power of his resurrection, and the fellowship of his sufferings" Philippians 3:10. It is then that He can say to you "Be of good cheer, I have overcome the world." "More than conquerors through him that loved us."

Your '51 class motto has been well chosen—

*"In Christ we conquer"*

—This denotes a personal faith in Christ, recognizing that without Him you can do nothing, but abiding in Him you will bear much fruit.

—This denotes a consecration and purpose in life, to commit your way unto the Lord that He may direct your path.

—This denotes a determination of will to press toward the mark for the prize of the high calling of God in Christ Jesus.

The Board of Governors of the College pray:—

"The Lord bless thee, and keep thee: The Lord make His face shine upon thee, and be gracious unto thee: The Lord lift up His countenance upon thee, and give thee peace."

W. INRIG

President of the Board of Governors

THE PRINCIPAL—REV. J. B. RHODES, M.A., TH.D.

## More Than Conquerors

"There is nothing in the Christian faith which cannot face the world as it is". That is the confident conclusion of a modern author, after tracing the complex causes that have led our world into its chaotic condition. But the Word of God gives us a more glorious assurance than that. It assures us not merely that we have no need to close our eyes to reality, but that in every circumstance we can be "more than conquerors".

Why was Paul led to write—"more than conquerors"? Because the Christian never reaches the place where the Divine resources become strained to their utmost extent. The Lord Jesus expressed this truth in a different context. In the Father's house there is "bread enough and to spare". With God there is always ample reserve. His wisdom and power are never stretched to the breaking point. Therefore the apostle Paul believed that no matter how severe any trial might be, by God's grace he could withstand even severer testing.

Significantly he wrote, "through Him who loved us". It is not merely the remembrance of Christ's love that inspires us to new courage. It is His living presence with us, by His Spirit, that makes us "more than conquerors". The measure of our victory, therefore, is dependent upon the degree of our oneness with Christ day by day. And that means that our victory must be won as His was won. For how did Christ win His victory over the powers of evil? By the Cross. And that is still the sign in which the Christian conquers. Only as we take up our cross and follow Him are we led in triumph through Christ.

You are going out into life service, class of '51. You will meet hardship, suffering, perhaps even death, for the sake of the Name. "In all these things we are more than conquerors through Him who loved us."

## Changes in the Faculty

DR. JAMES M. WATERS

If you had broken a leg, ruptured your appendix or were suffering from the more serious ailment of a broken heart, Dr. Waters was the one to mend it! Of course, his never-failing cure for snuffles and sneezles was the unforgettable Rhinitis pills!

Ill health prevented his return to India where he had been labouring as a medical missionary. In 1925 he joined the faculty of the College where he served faithfully for twenty-five years as registrar and medical advisor.

Last summer he and Mrs. Waters moved to Victoria, B.C. to enjoy a more restful life near the sea. But he will long be remembered by the students of T.B.C. as "the beloved physician."

God bless you Dr. Waters!

REV. ANDREW MACBEATH

This "braw wee man from the bonnie land of the heather" came to the land of the Maple Leaf to become one of the teachers at our College. As the weeks and months have slipped by, since we were first formally introduced to him on the Opening Day of this new term, we have grown to revere and love this devout man of God.

His lectures and conversation reveal his love and knowledge of the Word. He received his degrees and theological training in Edinburgh, but we feel that his education was sadly neglected until he travelled to our fair Dominion of Canada! His experience as a missionary in Africa for some years has ably equipped him to teach "Tropical Diseases" in addition to his other subjects.

We warmly welcome Mr. MacBeath and his gracious wife into our Bible College family.

MISS ERIA ROBINSON

Many members of our faculty are themselves graduates of T.B.C. This fall the ranks were filled by another grad—one of the class of '39—in the person of Miss Robinson. Wide and varied has been her experience in the Lord's work since the day she received her diploma.

Now, whenever the faculty assembles on the platform of the Assembly Hall we are always happy to see at least one rose blooming among so many . . . ! Miss Robinson has already become an understanding friend, not only to her own Prep. class, but also to every student in the school.

As the Lord has blessed her labours in the past, we pray that His blessing will attend her throughout her years of service here.

## The Missionary Heritage of Toronto Bible College

Toronto Bible College continues to hold a unique place as a training college for missionaries. The basis of the course is Bible study and emphasis on the corporate leadership of the Holy Spirit. Since the Bible is a missionary Book, and the Holy Spirit is continually drawing out young men and young women to fulfil the last command of Christ, it is only natural that the school should have a missionary emphasis.

The course is permeated with missions. Lectures, missionary meetings, missionary conferences and missionary study groups tend to lift up young eyes unto the "fields that are white already unto harvest." The Missionary Library provides much that is vital for an understanding of the fields.

The faculty members are unusual in their missionary emphasis. Dr. John McNicol, the Principal Emeritus, is the last of the original members of the councils of the two largest faith missions, the China Inland Mission and the Sudan Interior Mission. The Principal of T.B.C., Dr. J. B. Rhodes, was born of missionary parents in China, and educated at the famed Chefoo Schools. Other members have served long periods as missionaries on the field, and their first love has not been lost nor grown cold through changed circumstances and enforced separation from the Work. Still other members tried to get to the mission field, but like Paul, "the Spirit suffered them not." They rejoice now in training others for the great task.

The student body is missionary conscious. Their goal is the world for Christ, and He continually lays His hand on yielded lives for service at home and abroad. Many of them come to the College, "called" to a particular field. Others come, yielded only to the will of Christ, not knowing where He might send them. It is a joy to see the dogged determination; the sweet willingness to "be made willing;" and the new dawning of light as the way becomes more clear to the students of these varied conditions.

But perhaps the greatest testimony to the missionary ministry of T.B.C. is to be found in the alumni of the College. More than six hundred graduates are serving on the many mission fields of the world. They are to be found in every branch of missionary endeavour, spending and being spent that they might win men and women to the Lord Jesus Christ.

In the words of the writer to the Hebrews, "what more shall we say?" Time and space would fail to tell of the host of men and women whom God has pleased to call out of T.B.C. into His fellowship and service on the mission field. The annals of foreign missions would read like an enlarged eleventh chapter of Hebrews, telling of those who "attempt great things for God and expect great things from God." And woven into the fabric of the tale would be the faithful, Christ-honoured, Bible-centred ministry of T.B.C. which is still "holding forth the Word of Life," caring only that "in all things, He might have the pre-eminence."

### EVANGELIZE!

Give us a watchword for the hour,  
A thrilling word, a word of power,  
A battlecry, a flaming breath  
That calls to conquest or to death.

A word to rouse the Church from rest,  
To heed the Master's high behest,  
The call is given: Ye hosts arise,  
Our watchword is, EVANGELIZE!

The glad Evangel now proclaim,  
Through all the earth, in Jesus' Name,  
This word is ringing through the skies:  
EVANGELIZE! EVANGELIZE!

To dying men, a fallen race,  
Make known the gift of Gospel grace,  
The world that now in darkness lies,  
EVANGELIZE! EVANGELIZE!

Romans 8-37 "We are more than conquerors through Him that loved us."

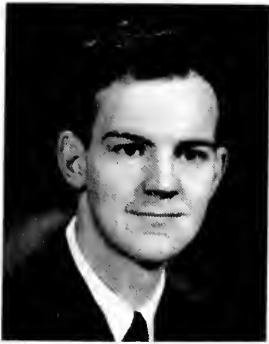

A MIGHTY fortress is our God,  
A bulwark never failing;  
Our Helper He, amid the flood  
Of mortal ills prevailing,  
For still our ancient foe  
Doth seek to work his woe;  
His craft and power are great,  
And armed with cruel hate  
On earth is not his equal.

Did we in our own strength confide,  
Our striving would be losing;  
Were not the right Man on our side,  
The man of God's own choosing,  
Dost ask who that may be?  
Christ Jesus, it is He!  
Lord Sabaoth is His name,  
From age to age the same:  
And He must win the battle.

And though this world, with devils filled,  
Should threaten to undo us,  
We will not fear; for God hath willed  
His truth to triumph through us,  
Let goods and kindred go,  
This mortal life also;  
The body they may kill:  
God's truth abideth still,  
His kingdom is for ever.

## In Retrospect . . .

*"I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with mine eye"* Our God has faithfully fulfilled this promise for each of us. From varied walks of life, even from different countries He has guided us along different paths to Toronto Bible College.

IN OUR FIRST YEAR . . . . . for most of us, college days were just a bit bewildering, but soon we became accustomed to the many varied activities of college life. New faces became familiar—the College became *our* college. In our first year our Bible study started at the Book of Genesis. Appreciation of the sacred Word deepened daily as Dr. McNicol directed our minds in "Thinking Through the Bible". As we reflect upon our first year we will always remember those sermon outlines for Mr. Burns and one hundred scripture verses that had to be laboriously memorized. Remember the poem you wrote for Mr. Armstrong in English class? You didn't think you had any poetic spark, did you? An unforgettable feature of our masquerade party at Baraca Club that year was the excellent horsemanship exhibited by our principal when he galloped gaily across the room on a burlap mount. Taking part in the graduation ceremony in April climaxed a wonderful year. Our spirits were lifted to God in love and praise as we joyously sang, "Lift up your heads, O ye gates; and be ye lifted up, ye everlasting doors; and the King of glory shall come in".

THE SECOND YEAR . . . . . beginning in the fall of 1949 was like coming back home. We happily greeted our old friends of the former year and gladly extended a friendly hand to the new members of our college family. We even felt a wee bit important. The term didn't seem

too far advanced when we found ourselves in the midst of writing January exams. The lights really burned late those nights but somehow we managed to stay awake—between dozes—to figure out the intricacies of Logic and the labyrinths of Psychology. That year the Lord directed Mabel Cressman, one of our class, to Argentina where she is now serving as a medical missionary. (Are we remembering to pray for her?) One highlight of that year was the preparation of the third year banquet. Everything was ready on time—What a time! What a "new look" the dining hall had that night! The third year girls looked lovely in their "formals." We won't pass comment on the stiff-necked (literally!) gentlemen! Our second session was saddened by the very serious illness of our beloved principal. Much fervent prayer was extended on his behalf and the Lord graciously restored him to us. Mr. Percy, our missionary counsellor, was also laid aside through illness and had to spend considerable time taking treatments in Montreal.

### AND NOW IT'S THE THIRD YEAR!

How heart-warming it was to see Dr. Rhodes back in his familiar place behind the lectern as we commenced our third year. We also welcomed Miss Eria Robinson, the new prep teacher and counsellor for the women students. Another new faculty member, Rev. Andrew MacBeath gave us fair warning of his future treatment when he solemnly uttered those never-to-be-forgotten words: "MacBeth doth murder sleep!"

Our last year is fast slipping by. Just think! The next time our benediction is sung in Varsity Arena it will be for our class. Although many of us do not know where the Lord would have us serve after graduation, we have learned that "We are more than conquerors through him that loved us."

# “We are more than Conquerors through Him that loved us”

What a momentous day to step out from the quietness, peace and security of the Toronto Bible College into the noise, confusion and insecurity of the world. Those of us who go forth to proclaim the message of Christ have never been confronted with a greater opportunity. The world at the present time is full of unrest. War clouds are looming. But no matter where the war is waging we have been trained at T.B.C. for that greater spiritual battle. “The weapons of our warfare are not carnal,” but spiritual. Serving the Captain of our salvation and girded with the armour of the Lord we march forward undauntedly heralding this message:

—IN CHRIST WE CONQUER—

**SHIRLEY MAE ABBOTT, Toronto, Ontario —**

COMMITTEES: *Evangelistic '50, Devotional '51.*

In 1947 God showed Shirley the path of Life. She accepted the challenge, forsook her former mode of life, and followed Christ. At T. B. C. the Lord has revealed His will for Shirley's life; she is to give the written Word of God to tribes without a written language. As she continues her studies in linguistics she knows that the Lord's command to her is in Joshua 1:9: “Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest.”

**THELMA NOREEN ATKINSON, A.T.C.M., Uxbridge, Ontario —**

COMMITTEES: *Social '50, Head Girl '51.*

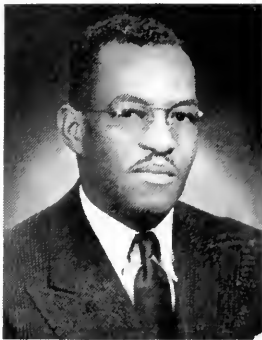

As a daughter of a minister, Thelma was surrounded by Christian teaching and influence. It was not, however, until she came to Toronto to study music that she gradually realized that a personal need must be met by a personal acceptance of the Saviour. In the responsible positions of Head Girl, and Choir pianist, her consistent and sincere Christian witness has won the respect of students and faculty alike. A favourite verse of Thelma's is Psalm 31:1, 3: “In thee, O Lord, do I put my trust . . . therefore for thy name's sake, lead me and guide me.”

**THEODORE WESLEY JOSEPH BOADWAY, Stouffville, Ontario —**

COMMITTEES: *Social '50, Student Cabinet '51, Third Year Executive '51.*

Eleven years ago Ted's spiritual birthdays were inaugurated. Answering God's call, he entered T. B. C. to prepare for the home ministry. Perhaps we shall remember him best as one who blended his voice with those of the other members of the male quartette, or joyously led in chorus singing at some of our socials. Ted's favourite verse is Philippians 4:4: “Rejoice in the Lord alway: and again I say, Rejoice.”

**SEYMOUR DEVERE BOYCE, Barbados, B.W.I.**

*COMMITTEES: Missionary '49, Evangelistic '50, Cabinet '50, Voluntary Work '51.*

Gradually, but definitely, the Lord won this stalwart heart. Seymour testifies that through the years Christ continues to become more precious. Before his Bible College training commenced Seymour taught school both in Barbados, B.W.I. and in the Dutch West Indies. Through his personal and committee contacts he has contributed much to college life. We wish him God's richest blessing as he pursues further studies before undertaking full-time work for the Lord. "I can do all things through Christ which strengtheneth me." (Philippians 4:13.)

**MURIEL JEAN BUCHANAN, R.N., Havelock, Ontario**

*COMMITTEES: Evangelistic '49 and '51, Nurses' Contact '50.*

In the quietness of her room, during her last year in training at the Children's Memorial Hospital in Montreal, Muriel's longing for a personal relationship with Christ was amply satisfied when she accepted Him as her personal Saviour. Two years later she commenced training at T. B. C. To the enquiry about the future, Muriel's answer is in the words of the hymn: "Where He leads me, I will follow; I'll go with Him all the way."

**CHRISTIAAN MUSGROVE COSTERUS, Toronto, Ontario**

*COMMITTEES: Social '48, Missionary '49, '50 and '51, Student Cabinet '51.*

The son of missionary parents, Chris was born and educated in China. At T. B. C. he has been enrolled in the Bible-Arts Course. We believe that "he is a chosen vessel unto God", for Chris has been richly endowed with a keen mind, sound judgment, and an acquaintance with God's work in China's mission fields. He is rejoicing in Matthew 28:20: "Lo, I am with you always, even unto the end of the world."

**JOAN CUNNINGHAM, Verdun, Quebec**

*COMMITTEES: Social '49, Evangelistic '50, Devotional '51.*

This member of our T. B. C. family hails from across the seas as her lovely Scottish accent reveals. In her teens, Joan came to know Christ, but the Lord definitely claimed her for His service during a Montreal campaign. Now her earnest desire is "day by day to be more like Jesus". Her favourite verse is Romans 8:28: "And we know that all things work together for good to them that love God, to them who are the called according to his purpose."

**DOROTHY MARGARET DUNCAN, Oakville, Ontario**

*COMMITTEES: Social '50, Broadcast '51, Third Year Executive '51.*

In her teens Dorothy responded to the Lord's claim at an evangelistic service in Oakville. Although active in Sunday School and Young People's work she sensed her need of some systematic Bible training. We are glad that she chose this school for her cheerful manner and bright smile have attracted many friends. Dorothy has been sensitive to the need for Christian teachers in Public School and so she plans to enter Normal School in the new term. Her testimony and thanksgiving are found in 2 Corinthians 2:14: "Now thanks be unto God, which always causeth us to triumph in Christ."

**HELEN LOUISE DYALL, Montreal, Quebec—**

*COMMITTEES: Broadcast '50, Missionary '51.*

Helen placed her trust in the Lord Jesus Christ during the Montreal campaign of 1946. She has found Him always faithful and "the rewarder of them that diligently seek him". T. B. C. is going to miss Helen when she graduates. (Will we ever find another who enjoys a joke longer than anybody else?) But it seems that a graduate of another year will be claiming her for his parsonage. Proverbs 3:6: "In all thy ways acknowledge him, and he shall direct thy paths."

**IONE MARJORIE ESSERY, Kenora, Ontario—**

*COMMITTEES: Evangelistic '50, Social, Gateway and Voluntary Work '51.*

During an evangelistic campaign the message of Christ's love led Ione to accept Him as her Saviour and Friend. At the college she has gained many friends through her willingness to lend a hand when needed. Work among young people is the sphere of Christian service in which she is most interested. Ione now waits for the Lord's definite guidance in the decisions which must follow graduation. Psalm 37:5: "Commit thy way unto the Lord; trust also in him and he shall bring it to pass."

**JAMES WILLIAM FILES, Petrolia, Ontario—**

*COMMITTEES: Evangelistic '50, Missionary '51.*

Five years ago, the Lord Jesus Christ laid His saving hand on Jim's life. Jim knew that he was saved to serve and to that end he entered T. B. C. While here, he has been quietly and efficiently serving the Lord. After graduation, Jim anticipates six more years of training before being ready to serve in his part of the Master's vineyard. His favourite verse is Isaiah 26:3: "Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee."

**JOHN FRANCIS GRAY, Toronto, Ontario.**

COMMITTEES: *Evangelistic '50, Head Boy '51.*

Through the faithful witness of one of his associates at work, John entered into newness of life through the saving grace of Jesus Christ. A few months later John was studying the Word of God at T. B. C. His sterling Christian qualities having been noted by his fellow students, he was elected Head Boy. John's two years spent in India serving in the King's forces during the last war have given him a desire to serve in the ranks of the King of kings in that same country. "I can do all things through Christ which strengtheneth me." (Philippians 4:13).

**EILEEN PHYLIS GREENWOOD, R.N., Strathroy, Ontario -**

COMMITTEES: *Missionary '50, Student Cabinet '51.*

At an early age Eileen was born into the family of God, and through the years she has followed His leading. Entering T. B. C., after completing her nurse's training, she has been preparing herself for her life work among the lepers in India. All this year, when we had our little aches and pains, we knew that as school nurse Eileen was always ready to give us some pills or something else even more unpleasant. She goes forward with the assurance of Job 23:10: "He knoweth the way that I take: when he hath tried me, I shall come forth as gold."

**PATRICIA MAY HAMILTON, Buffalo, New York**

COMMITTEES: *Founders' Week '51, Cabinet '51.*

"Our Pat" came from across the 19th parallel and the Buffalo Bible Institute but we gladly adopted her for two years—along with her violin. Her sweet and gracious way has very easily won our hearts. She believes that the Lord has a work for her to do on the mission field. "For this God is our God for ever and ever: he will be our guide even unto death." (Psalm 18:14).

**LORRAINE AUDREY HARBOTTLE, Guelph, Ontario—**

COMMITTEES: *Missionary '49, Devotional '50 and '51.*

Lorraine was originally a westerner from the plains of Saskatchewan. But, Guelph became the place of her spiritual birth. Our college attracted her attention when she became deeply exercised about her need of Bible study. At the college we have noted Lorraine's keen interest in the mission field. We trust that the Lord will continue to direct her attention to the "fields already white unto harvest." Psalm 96:11 "Thou wilt show me the path of life: in thy presence is fullness of joy."

**ROBERT MELVIN HETHERINGTON, Saint John, New Brunswick**

*COMMITTEES: Evangelistic '50 and '51, Third Year Executive '51.*

From his home in New Brunswick, Bob went to Montreal with a heart hungry for a satisfaction that the world could not give. There he found Christ as Saviour, and Bob's heart needs were satisfied. As leader of the Hospital Work Committee, he has shown spiritual depth and high practical qualities. Bob anticipates service in the home field, with the promise of Luke 1:37: "For with God nothing shall be impossible."

**JEAN ELIZABETH HILL, Toronto, Ontario—**

*COMMITTEES: Broadcast '49; Missionary '50; Cabinet '51.*

Students chose Jeannie as their Associate Head Girl, having confidence in her keen insight, utter reliability, and winsome personality. During her late teens she discovered that the Christ of whom she knew so much had never been a *living* reality in her life. She knows now that true peace and purpose in life are found in Him alone. Because she has completely committed herself to God and to the work of leading others to know Him, we are assured that He who has called her will faithfully accomplish His purpose through her. (II Thess. 5:24).

**MARJORIE ANNE HILL, Toronto, Ontario—**

*COMMITTEES: Missionary '49, Broadcast '50, Cabinet '51.*

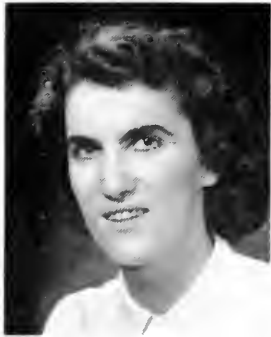

The guiding hand of the Lord brought Marjorie to a saving knowledge of Christ, and thence to T. B. C. Here, she has had opportunity to use her many talents, not the least of which is her efficiency as our Cabinet Secretary. Her warm personality has won her many friends during College days. Now, with consecrated life and certainty of heart she joyfully rests in Philippians 4:6, 7: "Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, . . . shall keep your hearts and minds through Christ Jesus."

**ELSIE JEAN HOPKINS, Peterborough, Ontario—**

*COMMITTEES: Social '49, Evangelistic '50 and '51, Third Year Executive '51.*

Elsie accepted Christ as her Saviour and Lord in 1948. During her three years here she has been a lovely reflection of her Saviour in every way and has won many friends with her ready smile. She looks forward to service for the Master in Africa, with the encouragement of Zephaniah 3:17: "The Lord thy God . . . is mighty, he will save, he will rejoice over thee with joy."

**JOYCE VERA HYNES, Campbells Bay, Quebec—**

COMMITTEES: *Social '50, Evangelistic '51.*

We were glad to welcome Joyce into the fellowship of day class after her year spent in the evening school. She will not be remembered for her "much speaking" but in her quiet and friendly way she is sincerely following Christ. Matriculation studies after graduation will enable Joyce to start training as a nurse. Since she has become a child of God, Isaiah 41:10 has been a real blessing to her as to others: "Fear thou not; for I am with thee; be not dismayed; for I am thy God."

**EILEEN DOROTHY LANGTHORNE, Barrington Passage, Nova Scotia—**

COMMITTEES: *Evangelistic '50, Student Cabinet '51.*

In 1942 Eileen felt the hand of God drawing her to the Lord Jesus Christ who, she testifies, is "precious and all sufficient to save and keep". In response to her Master's call to full-time service, she entered T. B. C. After graduation she expects to serve in the home mission field. Eileen's desire is found in Philippians 3:10: "That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death."

**EMMA JEAN LEVERTON, St. Thomas, Ontario**

COMMITTEES: *Missionary '50, Social '51.*

Jean was a teen-ager when she first tasted and found that the Lord was good. She testifies that at T. B. C. the Bible knowledge gained here and the opportunities for practical work have greatly enriched and strengthened her spiritual life. Jean has no doubts about the future; she only wants God's best for her life as she remembers the words of Psalm 37:4, 5: "Delight thyself also in the Lord; and he shall give thee the desires of thine heart. Commit thy way unto the Lord; trust also in him; and he shall bring it to pass."

**DOROTHY KATHELEEN MACMILLAN, Montreal, Quebec—**

COMMITTEES: *Broadcast '48, Social '50 and '51.*

Dorothy relates that she was saved in her early teens when attending a cottage meeting near the northern town of Noranda. From an office position in Montreal, the Lord led her to fellowship among us. Her valuable vocal assistance in the trios will not soon be forgotten. With the apostle Paul she testifies, "I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me." (Galatians 2:20).

**ALEXANDER SYLVESTER MARKHAM, Montreal, Quebec—**

COMMITTEES: *Evangelistic '49, Missionary '50, Social and Gateway '51.*

At an early age, Alex's parents led him to an acceptance of the Saviour. Here in the College this young man's spiritual insight and ease of expression seems to indicate that from a child he has known the Scriptures. At T. B. C. he has quietly and purposefully pursued his course that he might be "a workman that needeth not to be ashamed". For the days and years following graduation he waits for the Lord's direction—Psalm 32:8: "I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with mine eye."

**DONELDA McLEAN, Kingston, Ontario—**

COMMITTEES: *Broadcast '49, Evangelistic '50, Missionary '51.*

In 1942 Donelda accepted Jesus Christ as her Saviour. After acting as secretary for the Soldiers' and Airmen's Christian Association, and later for Youth for Christ, she heard the Lord calling her to train at T. B. C. for further Christian work. Now, Donelda eagerly looks forward to service with Child Evangelism. As she leaves T. B. C. she claims this promise in Deuteronomy 31:8: "And the Lord, he it is that doth go before thee; He will be with thee, He will not fail thee, neither forsake thee."

**ELSA LILLIS MOFFET, Calgary, Alberta—**

COMMITTEES: *Devotional '50, Social '51.*

Through home influence Lillis gradually realized her need of a personal acceptance of Christ. While witnessing to service personnel in the Air Force she became aware of her lack of Bible knowledge. After a year at Emmaus Bible School she entered T. B. C. She trusts that the Lord will lead her into children's work, for here she has found much joy and blessing. "And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him." (Colossians 3:17).

**JEAN MARGUERITE OTERI, Oxford, Nova Scotia—**

COMMITTEES: *Broadcast '50, Missionary '51.*

Our 'petite' Jean came to the College because of a childhood desire to be a missionary. After a month of fellowship here with God's children, new light dawned for her. As she embarks upon further training in preparation for service on the mission field, we trust that she may "know him and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death." (Philippians 3:10).

**ISOBEL MARIE PETERS, R.N., Colborne, Ontario —**

*COMMITTEES: Evangelistic '50, Missionary '51.*

At an early age Isobel invited Christ into her heart during a church service. While training at Belleville and Kingston General Hospitals, she consecrated her life to the Lord's service. This led her to commence training at Toronto Bible College. As for the future, Isobel desires that she may stand perfect and complete in the will of God in whatever field He may direct her to enter. Her favourite verse is Psalm 91:1: "He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty."

**NEVILLE WENTWORTH BRERETON PHILLS, St. Vincent, B.W.I.—**

*COMMITTEES: Evangelistic '50, Missionary '51, Third Year Executive '51.*

During an evangelistic meeting, Neville's eyes were opened to the Lord's claim on his life. After a period of teaching he spent five years working in Curacao. Various forces played upon his life, directing him to our college. As a workman who need not be ashamed, he returns now as a messenger of the gospel to the people in the West Indies. Romans 8:28: "And we know that all things work together for good to them that love God."

**FRANCES CLARA QUINNELL, Verdun, Quebec —**

*COMMITTEES: Missionary '50, Evangelistic '51, Voluntary Work '51.*

At the age of eleven, Frances' mother lovingly led her to a personal knowledge of Jesus Christ. Some years later, through the ministry of a student pastor, she dedicated her whole life to Christ. We have appreciated the willing and valuable assistance she has given to the musical life of our school. She is assured that she has been called of God to labour for Him and so seeks His direction for the future. "Faithful is he that calleth you, who also will do it." (1 Thessalonians 5:24).

**OLIVE JOYCE REED, Redbridge, Ontario —**

*COMMITTEES: Evangelistic '50, Social '51.*

Joyce was reared in a Christian home but did not accept the Lord into her life until October, 1945. After two years of high school, she entered T. B. C. to prepare for Christian service. Her quiet, matter-of-factness, and realistic approach to life's problems have been an inspiration to her associates. On graduation, Joyce plans to study for her matriculation before entering upon nurse's training. Her favourite verses are Job 19: 25, 26: "For I know that my redeemer liveth, and that he shall stand at the latter day upon the earth; and . . . in my flesh shall I see God."

**HENRY SALMI, Montreal, Quebec —**

COMMITTEES: *Devotional '50, Evangelistic '51.*

Henry was converted during the silent hours of the night through the reading of a Sunday School paper. At T. B. C. he has borne a lively testimony and we will not soon forget "our good-humoured Henry" and the contribution he has made to the musical life of the College. Now, on the threshold of graduation, he looks forward to service in the vast field of opportunity in his own city and the province of Quebec. Proverbs 3:5, 6 has been a source of blessing to him: "Trust in the Lord with all thine heart, and lean not unto thine own understanding."

**MABEL SAWYER, Fenelon Falls, Ontario —**

COMMITTEES: *Evangelistic '49, Broadcast '50, Social '51.*

Soon after her discharge from the Air Force Mabel made the most important decision of her life, that of accepting Christ as her personal Saviour. At the College she has been impressed anew by the need of workers on every mission field. With her genial personality, we know that she will witness to others of Christ wherever He may lead. Isaiah 30:21: "And thine ears shall hear a word behind thee, saying, This is the way, walk ye in it."

**JOSEPHINE ELIZABETH SKALIK, Toronto, Ontario**

COMMITTEES: *Choir '49, Social '50, Student Cabinet '51.*

At an early age Jo recognized her need of a Saviour, and with child-like faith claimed salvation through Christ. When completely willing to accept His will for her life, her steps were directed to T. B. C. A versatile student, she has shown her willingness to take part in all phases of college life. We trust that the Lord may continue to use Jo as she serves in Jos, Nigeria under the S.I.M. Her favourite verse is I Cor. 1:18: "For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God."

**FRED DOUGLAS SPENCER, Falmouth, Nova Scotia —**

COMMITTEES: *Evangelistic '49, Devotional '50 and '51.*

Doug heard the Gospel story clearly and definitely presented on several occasions before he decided that the only life worth living was one given to Christ. A T. B. C. calendar challenged him to begin studies here. He will be well remembered as our lantern operator for choir rehearsal. (We have forgiven him for breaking a few slides and forgetting to change many more!) As he serves the Lord on the home field, he remembers the words of Christ; "Ye have not chosen me but I have chosen you . . . that ye should go and bring forth fruit." (John 15:16).

**JOYCE MARION TAYLOR, Verdun, Quebec—**

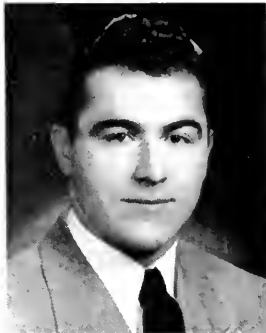

*COMMITTEES: Evangelistic '50, Broadcast '51.*

During her teens, at a young people's meeting, Joyce heard of God's free offer of salvation and accepted Christ as her living Saviour. With new-found joy in Christ she longed for Bible training and the fellowship of Christian students. Her steps were directed to T. B. C. Here she has become better acquainted with "a friend that sticketh closer than a brother" and has made many other friends with her pleasant personality. Joyce faces what lies ahead with the promise of Isaiah 41: 10: "Fear thou not; for I am with thee; be not dismayed; for I am thy God."

**DOROTHY MAUDE THORP, London, Ontario—**

*COMMITTEES: Broadcast '50, Missionary, Gateway and Third Year Executive '51.*

Born and educated in London, Dorothy was converted in her teens through the witness of a fellow high school student. Following graduation she taught public school for several years. During her training at T. B. C. she has given promise of a wonderful future. It is her earnest desire, after completing work for her B.A. degree at Western University, to be one of God's labourers in the Orient. Isaiah 1:19: "If ye be willing and obedient, ye shall eat the good of the land."

**ARMAND VALENTI Worcester, Massachusetts**

*COMMITTEES: Evangelistic '49, Missionary '50, Cabinet '51*

Armand is never reticent about testifying that he has been saved to glorious life in Christ. While still a Roman Catholic and stationed with the U.S. Army near the Gulf of Mexico, Armand attended a camp meeting and was regenerated through faith in Jesus Christ. It has been evident to all his associates at T. B. C. that Christ has put a new song in his mouth. Trusting the Lord for guidance Armand looks forward to some mission field, home or abroad, where he may spread the glad tidings of salvation. Psalm 104:33: "I will sing unto the Lord as long as I live; I will sing praise to my God."

**MARY HELEN WARD, Toronto, Ontario**

*COMMITTEES: Social '49 and '51, Evangelistic '50, Gateway '51*

It was in the city of her first birth that Mary was "born again" in 1938. At T. B. C. we have admired the cheerful and willing way she has done her academic and practical work. After graduation Mary plans to take a nursing course. She goes forward with her hand in the hand of her Lord and Saviour. Philippians 3:10: "That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death."

**RUTH MARIE WIGLE, Kingsville, Ontario**

COMMITTEES: *Social '50, Evangelistic '51.*

Ruth realized her need of a personal union with Christ as He revealed Himself to her in 1940 through His handiwork in nature, while she was living in a little country home. Claiming the promise that "He goeth before", she enrolled at T. B. C. Here she has been an inspiration to her fellow students as she has quietly and efficiently proceeded with whatever task was at hand. After completing her matriculation Ruth plans to enter McMaster University. Philippians 4:13: "I can do all things through Christ which strengtheneth me."

**HARRY WHITFIELD EDWARDS, Northmount, Ontario—**

COMMITTEES: *Evangelistic '50, Student Cabinet '51.*

Harry has trusted Christ as his Saviour for over fifteen years. While serving in the Royal Canadian Navy during the last war Harry proved the reality of the presence of the living Christ. In his jovial way, Harry has made many friends at T. B. C. As he finishes his college days he is confident that the Lord has a definite place where He would have him labour. Psalm 16:8: "I have set the Lord always before me: because he is at my right hand, I shall not be moved."

We have enjoyed having known and having had fellowship with these students during our three years. Because of extra studies they will not graduate until the spring of 1952. We pray that God will graciously bless them and lead them into His appointed place of service.

# Open Doors and Adversaries

Many suppose that the troubled state of the world today means that missionary opportunity will be seriously limited. Young people who have heard the call, "Go ye into all the world, and preach the gospel to every creature", have an uneasy feeling that the age of freedom and open doors is passing, both overseas and in the homeland.

We must first remind ourselves of some words of our Master, uttered in a similar period of unrest and distress, and that are just as applicable today. "Ye shall hear of wars and rumours of wars". He told his disciples, "see that ye be not troubled"; and again, "Heaven and earth shall pass away, but my words shall not pass away". The first consideration is the morale of the Christian forces. We must realize that, however circumstances may appear to us, God rules above the clouds that obscure our vision, and is working out His own purposes of redemption.

Many doors are still wide open, where the ambassadors of God are joyfully welcomed. The whole of Africa and of Latin America, with a few temporary exceptions, are present day opportunities, and responding as never before to the Gospel. Japan is receiving missionaries, and India, in spite of some restrictions, is still an open field. There is quite enough scope in the world today for a great missionary expansion.

Besides these more distant fields, there is our own homeland. The number of pagans in Canada was never larger, nor the need greater. We are meeting here the same "world rulers of this darkness", to use the telling phrase of the Apostle to the Gentiles, that are opposing our Saviour and His churches in China, Korea and Guatemala,—great totalitarian powers of darkness, religious and secular, that are deluding and enslaving men. Communism, Romanism, the liquor trade and every other form of traffic in the souls of men, are all strongly entrenched in our own cities and towns and country-sides. All these form such a challenge as has not been faced for centuries.

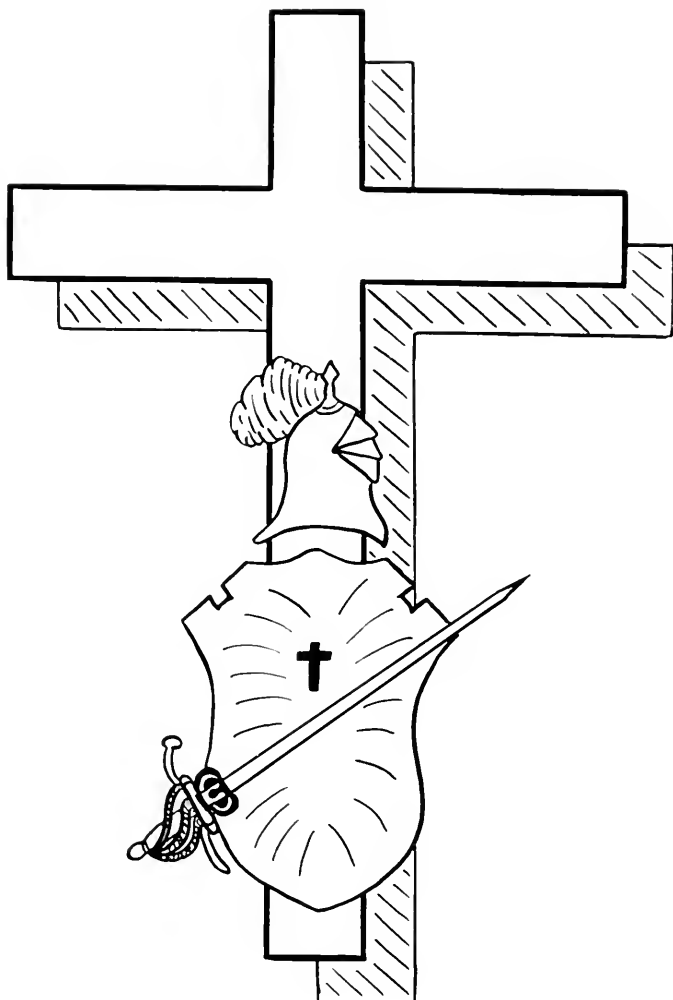

We must remember that this will demand a price. We cannot carry all the comforts of civilization to every land to which we may be called, and in other ways we may have to be prepared to work in ways strange to us. But our Saviour goes before and as we remember the great motto of this year's graduates, "In Christ we conquer", we shall, as missionaries of the Cross, go forth, able to do "all things through Christ who strengthens us".

DR. J. B. McLAURIN

"Go ye into all the world!"—and have we gone?  
Are we unruffled, knowing that the dawn  
In heathen lands means but another day begun,  
Another day without the blessed Sun  
Of Righteousness and Peace; another day  
When souls who have forever lost the way  
Sink deeper into the dark morass of sin,  
Hopeless and lost, at last to enter in  
To an eternal night?

Oh, God of love  
And tender pity, from Thy throne above  
Beholding them, and willing not that one  
Should ever perish, Thou didst send Thy Son,  
Who bought them with His blood! But unto us,  
To us, Thou didst entrust the glorious  
And wondrous news, and into our weak hands  
Didst place the torch to lighten heathen lands!  
Strengthen then our arms, dear Lord, to hold it  
high!

Oh, ransomed of the Lord, if you and I  
Failing in this thing—"Their blood," I hear Him  
say,  
"Will I require of you, upon that day!"  
"Go ye into all the world! Is it a task  
To do for Me, this one last thing I ask!"

At the beginning of the New Year Barbara was called by the Evangelical United Brethren Church to the Mission Hospital in Espanola, New Mexico. There, she is devotedly serving Christ ministering to the physical and spiritual needs of those people.

Your stay with us was brief, Barbara, but may some of the fragrance of the T.B.C. fellowship refresh you during your labours for Him.

### “Power Through Prayer”

*“The effectual fervent prayer of a righteous man availeth much”.*

As one comes into closer communion with the Saviour, spiritual life deepens and fruitfulness increases. What applies to the individual applies also to the body of believers, and so this principle is borne out in the corporate life of the Bible College. The impact made in all phases of the school activities is dependent upon the devotional life of each student.

Once a week the Devotional Committee meets to attend to matters pertaining to this phase of student life. This meeting is devoted to prayer with sufficient time allowed for business purposes.

Refreshing are the times when students assemble from eight to nine o'clock each morning for prayer meeting. Along with the session for prayer, there are singing, scripture reading and testimonies. Students from all years conduct and participate in these prayer times.

In conjunction with the morning prayer meeting and as a preparation

for the various activities in which the students are engaged on the Lord's Day, a fellowship meeting is held every Saturday evening. Although devoted mainly to prayer, testimonies, musical numbers, exhortations and singing form part of the time of fellowship.

It is with eager anticipation that the student body and the faculty look forward to the annual Day of Prayer. On this special occasion studies are suspended for the entire day and as a body and in smaller groups the College engages in communion with the Lord.

Another event which contributes greatly to the devotional life of the College is the Easter Sunrise Service. At this time we rejoice afresh in our risen Saviour and His victory on our behalf.

The several prayer rooms available for girls, boys, and groups are an important factor in encouraging the private devotional life of each student. It has been experienced by the faculty and students alike that all phases of the Lord's service are hinged upon our personal devotion to Jesus Christ.

### “Fellowship Through Christ”

Such strange creatures we see! Could that be one of those gravel-voiced tenors over there that we heard at Massey Hall last season? Oh, No! It can't be! But, it is—Mr. Armstrong, dressed as a Cossack—moustache, boots, red sash, and all the trimmings. You should hear him sing! What's the meaning of all this? Why, don't you know? Can't you guess? T.B.C. is having its annual Founders' Week Masquerade Party at the Baraca Club. Games, prizes and hot-dogs are all part of the evening's entertainment.

Now, let's sit around in a circle on the gym floor for family devotions. There is a short sing-song and a number from our fine male quartet. Led by a faculty member we meditate for a while upon a portion of God's Word. Then, after a verse or two of “Abide With Me” we

scamper off for home and bed. “A merry heart doeth good like medicine”, and these T.B.C. students enjoy real fun and fellowship with one another, for their hearts have been bound together in their love for the Saviour.

Many other such get-togethers are held during the year. A weiner roast in the fall, a gala Christmas Party before the vacation and many more enjoyable events. Each Wednesday the students are able to go to the Baraca Club where volleyball, table tennis, bowling, swimming are the order of the evening.

All the planning and entertaining comes under the practical direction of the Social Committee, which meets each week. After seeking prayerful guidance, they seek to organize a programme that will help to develop in the student, the social aspect of the Christian life.

## Broadcast Committee

FRONT ROW: Lila Smith, Dorothy Duncan, Ted Clarke, Jessie Strachan, Betty Docker, Shirley Whitehead, Adele Cantwell, Eileen Langthorne (Leader), Christine Kitchen, Rosella de Montmorency.

BACK ROW: Phil Collins, Bob Clubine, John Harvey, Beverly Clark, Effie McWhirter, Joan Hoag, Beatrice Habermehl.

In the small-farmer's experience, a "broadcast sower" is a hand machine, slung over his shoulder and used for seed-sowing. T.B.C. also has such an implement to sow seeds of thoughts concerning its family and their activities. It is the student paper "THE BROADCAST".

The T.B.C. seed-sower plants many types of seeds in mind and heart. The most important is the seed of the Word of God. Others are devotional. Many are challenging. And some are humorous, for a "merry heart doeth good like medicine".

Man-power is needed throughout the year to fill and refill this machine. But with the prayers, co-operation and

excellent work of each committee member, it was refilled for four issues.

This Broadcast is a *student* paper. Articles are written *by* the students, about the students and for the students and their friends. It has endeavoured to show word-pictures of students in times of rollicking laughter; young people being challenged by some message; their mountain-peak experiences during an evangelistic campaign; or their precious prayer times and devotional periods—in short—it aims to portray college life and all it means.

We hope our new friends will take a part in manning this "broadcast machine" and so help spread the good word. You may do this by becoming a subscriber to the T.B.C. Broadcast.

## “Proclaiming Salvation Through Christ”

Revival is in everyone's mind in these days of darkness, crisis and human need. Evangelism is the heart of revival, and T.B.C. is evangelistic.

The Evangelistic Band is responsible for the host of appointments through which the students give their testimonies to the saving grace and keeping power of the Lord Jesus Christ.

There are regular weekly appointments, where the students give testimony in sermon and song. Railway Mission, Greey's Foundry, Yonge Street Mission, Toronto General Hospital and Scott Mission are all avenues for telling forth the Good News.

Children's Bible Clubs, Jewish Work, Sunday School Classes, Young People's Societies and Open Air Meetings, are all means used to reach the unsaved.

The singing testimony of the students is in great demand. Two choirs, double trios, quartets and soloists are constantly evangelizing in song. The mes-

sage of Jesus Christ is being joyously proclaimed to receptive hearers.

The annual campaign, conducted by faculty and students provides every means for all possible avenues of service. Students who were privileged to participate in the two-week Christian Crusade held in Uxbridge in the fall of 1950 will never forget the thrill of witnessing for Christ and the unspeakable joy in seeing many hearts changed through the power of the gospel of Jesus Christ.

Results? Were we concerned with statistics, hundreds of conversions and many lives touched for Jesus Christ might be recorded. But we are mainly concerned with telling and singing forth the Gospel that has done so much for us. In full reality we seek to obey Paul's injunction to the young Timothy: "Do the work of an evangelist."

That is the plan, practice and purpose of the Evangelistic Band of Toronto Bible College.

### “Therefore go . . . .”

“And ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria and unto the uttermost part of the earth.” (Acts 1:8)

In one school term at Toronto Bible College we circle the globe many times with missionaries for our guides and instructors. The trip is both interesting and challenging. On this journey we are able to obtain a comprehensive survey of the mission fields of the world.

Missionaries come to the College every week to speak to us. The Wednesday meeting is attended by the whole student body. Study groups are held on Thursdays. Thus, the work and needs of different mission fields become familiar to us.

Contact with the mission field is further encouraged through the missionary publications which are placed in the Missionary Reading Room. For the students who want to read more in-

tensively about a particular field, the excellent books in the Missionary Library are at their disposal.

Our graduates who are now serving the Lord on many different mission fields of the world need to be upheld in prayer. All students can participate and share a blessing in the daily prayer meetings.

February 12th to 17th mark the days set apart for the annual Missionary Conference this year. As this book goes to press we are eagerly anticipating the helpful instruction which we will receive each evening as we hear the messages from missionary speakers, and see pictures from the fields portrayed on the screen. Many students in the past have heard God's call to some mission field during this week. We are sure that this year will be no exception as Christ challenges us with these words—“As the Father hath sent me, even so send I you.”

### “Songs of Victory”

Early in the school year all students have voice tests and the best warblers are organized into two evangelistic choirs, trios and quartets. Immediately, practices commence to prepare for weekly appointments, the Fall Evangelistic Campaign and the Graduation Exercises held in the Varsity Arena. Our energetic music director, Mr. Cyril Redford, labours untiringly that voices might blend in sweet harmony to sing praises unto the Lord.

Many folk in the churches of Toronto and vicinity have been richly blessed through the music of the choirs and smaller choral groups. On such engagements the students bear witness in testimony and in song, and a faculty member is usually the guest speaker.

In November of this school term we

joyfully shared in the blessings of the “Uxbridge Christian Crusade.” All of us witnessed the power of God when lives were made anew through trust in Jesus Christ. Our hearts were united as we rejoiced together over these new-born babes in Christ.

Experiences such as these are invaluable to the students of T.B.C. With renewed efforts they consecrate their lives to the service of the Lord.

“O Christ, Thy bleeding feet and hands  
Thy sacrifice for me,  
Each wound, each tear, my life depends  
A sacrifice to Thee.  
Dear Cross, I hear Thy pleading call,  
To spurn I cannot move,  
My heart is conquered! Take my all,  
For less insults Thy love.”

# Evening Class Graduates

## EVENING CLASS MOTTO

"For me to live is Christ." Philipians 1:21.

**MAUD BROOKS, Toronto, Ontario —**

In a little church in the land of the shamrock Maud realized for the first time that Christ had died for her. Although only twelve years old she was given assurance of her adoption into the family of God. Since her teens she has been serving her Master faithfully in Sunday School work. The Bible studies received during Evening Class will enable her to serve her Master even more effectively. She knows that her future is based on a sure foundation, for "Jesus Christ (is) the same yesterday, and today and forever." (Hebrews 13:8)

**SADIE BONNIE BROTHERS, Halifax, Nova Scotia —**

*COMMITTEES: Social '49, Cabinet '50, Missionary '51.*

Bonnie's spiritual birthdays started when she was sixteen. Later, at a Youth for Christ Conference, she was challenged to dedicate herself unreservedly to the Lord. Her joy in knowing Christ gave her a desire to share this experience with others and so she lovingly laboured among the needy children in this city. The instruction she has received in Evening Classes will enable her to have an even more fruitful ministry in this field. Her message to the boys and girls will be Romans 5:8: "God commendeth his love toward us, in that, while we were yet sinners, Christ died for us."

**RUTH ALEXANDRA DONNAN, Toronto, Ontario**

COMMITTEES: *Cabinet '50, Third Year Executive '51.*

Because of Ruth's Christian parents a Sunday School teacher found her fertile ground for the gospel seed. Desiring a deeper knowledge of God's Word she embraced an opportunity to meet new Christian friends in the Evening Classes of the Bible College. Her fellow students are appreciative of her capable leadership in committee work. Psalm 32:8: "I will instruct thee in the way which thou shalt go: I will guide thee with mine eye."

**JOHN ALEXANDER DOWNEY, Toronto, Ontario —**

COMMITTEES: *Evangelistic '51, Student Cabinet '51.*

In the quietness of his own home, in 1944, John accepted Christ as his personal Saviour. A consistent Christian life testifies to the reality of this momentous decision. Influenced by a personal invitation, John enrolled in the Evening Classes of T. B. C. to be further instructed in the Word. He leans upon the promise of Psalm 32:8: "I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye."

**JOHN WILLIAM DRAY, Toronto, Ontario—**

COMMITTEES: *Missionary '49, Evangelistic '50 and '51, Student Cabinet '51.*

It was through the reading of a message on prophecy that John realized his need and accepted Christ as his Saviour. He spent a year in Day Classes before the war and then after five years of war service John enrolled in T. B. C. Evening Classes. Just recently he has had the joy of seeing his wife converted, and now together they are seeking the Lord's will for their lives. "For this God is our God for ever and ever: he will be our guide even unto death". (Psalm 48:14).

**ESTHER GUNSON DRURY, Toronto, Ontario —**

Esther has known the Lord Jesus Christ as her personal Saviour and Friend for many years and she has always found Him to be the One who could satisfy her deepest needs. She realized that she could become even better acquainted with her Friend through a careful study of His Word and so she enrolled in Evening Classes. Now, she wants to continue telling boys and girls in Sunday School about her Saviour, knowing that Christ said, "Him that cometh to me, I will in no wise cast out". (John 6:37).

**MURIEL ELLIOTT, Toronto, Ontario**

*COMMITTEES: Music '50, Head Girl '51.*

Muriel discovered that a whole new life opened up for her when she accepted God's offer of salvation during an evening church service. She came to know also that God has a purpose and plan for each of His children. He has continued to unfold that plan for her while she has diligently studied His Word during the Evening Classes. Her friendly smile radiating from a love for her Saviour gained for her the position of Head Girl. We pray God's blessing upon her as she and the Head Boy plight their troth in the very near future. "Ye have not chosen me, but I have chosen you." (John 15: 16)

**JOHN JAMES FRYER, Toronto, Ontario**

*COMMITTEES: Social '50 and '51.*

John was converted in Doyercourt Road Baptist Church under the ministry of evangelist Anthony Zeoli. John's Christian service in the Sunday School and in open air meetings gave him a hunger for more Bible knowledge. This led him to enrol in the Evening Classes of T.B.C. As he goes forth to reach boys and girls for Christ his message will be John 3:16: "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

**KENNETH GRIESE, Toronto, Ontario**

*COMMITTEES: Music '50, Third Year Executive '51*

In 1938 Ken realized his need of a personal relationship with God through Jesus Christ and he appropriated God's offer of salvation. During his three years of instruction in the Evening Classes he found the Word becoming very precious and the fellowship with Christian students most joyous. With his musical talents dedicated to the Lord his desire is to follow in the steps of the Master. "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." (Romans 5:8).

**DORIS MAY HARPER, Oxford, England -**

*COMMITTEES: Evangelistic '49, Student Cabinet '50, Gateway '51.*

Doris gave her heart to Christ after being forced into the enquiry room by the power of the Holy Spirit. Conscious of His claim on her for loving service, Doris became secretary of Oxford Youth for Christ. Realizing her need for a greater knowledge of the Word, she embraced an opportunity to come to Canada and to T. B. C. She returns to England after graduation to serve the Lord there. I John 1:7: "If we walk in the light, as he is in the light, we have fellowship one with another."

**EVELYN OLIVE MARY JUDD, Oxford, England**

*Committees: Music '50 and '51, Cabinet '51.*

The Lord has done great things for Evelyn. After professing to be an atheist and, later, a nominal Christian, she became a new creature in Christ through the persevering prayers of two Christian friends. Through the influence of Oxford Y.F.C. leaders she was led to take training at T. B. C. Now, she believes that the Lord has a work for her to do among the "down and outs" back home. "And we know that all things work together for good to them that love God". (Romans 8:28.)

**GWENDOLYN JOYCE KIRK, Toronto, Ontario—**

*COMMITTEES: Cabinet '51, Third Year Executive '51.*

While living in the northern town of Bracebridge, Gwen accepted Jesus Christ into her heart and life. She testifies that the carefully planned studies of the Evening Classes have been most beneficial to her. With confidence and trust in her Saviour she knows that He will continue to guide her steps. "For I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day." (2 Timothy 1:12)

**ISOBEL MAUD McINTOSH, Mimico, Ontario—**

*COMMITTEES: Broadcast '49 and '51, Social '51.*

Isobel was converted under the ministry of Gypsy Smith in 1940 at People's Church. Active in Sunday School and church work, she enrolled at T. B. C. to satisfy a desire for Bible college training. Armed with the Word of God she will continue to work among children and young people. "For I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that day". (2 Timothy 1:12).

**HELEN SCOTT, Toronto, Ontario—**

*COMMITTEES: Social '50, Third Year Executive '51.*

Yes, our lovable little 5' 11 1/4" of sunshine hails from Bonnie Scotland—Dundee at that! Helen has much for which to praise God. After vainly seeking peace through Christian Science, God graciously manifested Himself to her and she found Him to be the Prince of Peace. Now, Helen's deepest desire is to share this new experience with boys and girls. With the Psalmist she claims this promise: "I will instruct thee and teach thee in the way which thou shalt go; I will guide thee with mine eye." (Psalm 32:8).

**ONA SEELHOFF, Toronto, Ontario**

Ona is grateful to her Christian parents who, in her early years, lovingly led her to a personal knowledge of Jesus Christ. A gradual growth in the Christian life has been manifest in the active interest she has taken in teaching children the Word of God. Through the Evening Classes she has become even more conscious of her privilege in knowing Christ and of her responsibility to tell others the good news of salvation. "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life" (John 3:16).

**LENORE P. SHARPE, Toronto, Ontario**

*COMMITTEES: Social '49, Head Girl '50, Cabinet '51*

Lenore accepted God's offer of salvation, through faith in Jesus Christ, while still in her teens. The Lord then gave her a burning desire to serve Him in Africa. Through her evenings spent in study here she has become more assured that this is the Lord's will for her life. Her gracious personality and dedicated Christian life have won her many friends and entrusted her with a position on the cabinet for two consecutive years. Next fall she expects to bid farewell to her public school teaching and enter the T. B. C. classroom as a day student. We assure her of a hearty welcome. Psalm 5:11: "Let all those that put their trust in Thee rejoice."

**DUDLEY A. WARD, Toronto, Ontario**

*COMMITTEES: Cabinet '50, Head Boy '51, Third Year Executive '51.*

When he was a young boy at Sunday School, Dudley accepted Christ as his personal Saviour. With a growing consciousness of his responsibility to witness a good confession before his business associates, he entered the Evening School to gain a more thorough knowledge of the Word. Dudley has taken an active interest in all activities of the E.C. students. His favourite verse is Proverbs 3:6: "In all thy ways acknowledge him, and he shall direct thy paths."

**DOROTHY EILEEN WILMOT, Toronto, Ontario**

*COMMITTEES: Broadcast '49, Cabinet '50.*

Dorothy had the privilege of being told about Christ from her earliest days in a Christian home. She knew that T. B. C. stood for sound Bible teaching and wanting to combine an acquaintance with God's Word with happy Christian fellowship she entered the Evening Classes. She trusts that daily she may witness to others of the Lord's saving grace. Proverbs 3:5: "Trust in the Lord with all thine heart; and lean not unto thine own understanding."

## At the Close of the Day

“Did you ask me where these young people are going that you see hurrying north on Spadina Road every Tuesday and Thursday evening? Why, they’re just coming from work and don’t want to be late for 6 o’clock supper at Toronto Bible College. Would you care to drop in and join us in the dining-room? This is a wonderful place to meet new friends in this time of happy fellowship.

Now, after that satisfying meal, we’ll just brush up a bit and relax while we chatter with our friends in the Common Room.

There’s the bell! Let’s join the others for prayer before our classes begin. How our hearts are always warmed as we unite to pray for our College faculty, our Evening Class student body, and the various Christian activities in which the students engage. We praise the Lord for the many answers to prayer.

Have you ever met our teachers? You would expect them to be too weary after a full day’s work to teach two evenings

a week as well, but they faithfully instruct us from the Word of God. Sh! Dr. Rhodes is coming in to commence his lecture in “The Work of Christ.” Those fifty minutes went all too quickly. His lectures reveal to us such deep spiritual truths as we would, in all likelihood, pass over in our private study of the Word. That is what makes Evening Classes so precious to me.

Jack Downey is going to ask for volunteers to go to Yonge Street Mission this Friday. Yes, we are responsible for a service there once a month during the winter, and every week during the summer months. Evening Class students also join with the Day Class students at Toronto General Hospital on Sunday mornings to sing and bear testimony to the patients.

Did you say you would like to join our Evening Class next year? Mr. Armstrong will be glad to discuss the course with you. We shall look forward to your fellowship with us.”

This course was instituted in 1948 at the request of medical students attending the University of Toronto and affiliated with the Inter-Varsity Christian Fellowship. These students were desirous of a Bible College Training to equip them for service on the mission field but would be unable to attend the regular Day Classes after their lengthy university course. Since its inception the course has also embraced students from the School of Nursing, School of Engineering, Physiotherapy and Occupational Therapy.

Two hours of intensive lectures are given each Tuesday evening. Assignments and examinations are written

during the summer and early fall so that they will not conflict with the heavy programme of studies carried on in the university.

The inspiring and instructive weekly lectures have proved to be of untold blessing to all of us who have been privileged to attend. The marked contrast between the materialistic teaching of university and the vital, eternal truths taught at Toronto Bible College could not escape our notice.

As we embark upon our professional careers we trust that we shall proclaim God's offer of salvation as the only remedy to heart-weary, discouraged people of the world to-day.

## The Cry of the Child

*"Suffer little children to come unto me, and forbid them not: for of such is the Kingdom of God." (Luke 18:16)*

Our daily newspapers present a tragic commentary on the spiritual plight of to-day's youth. We are shocked to read reports of the crimes and misdeeds of young delinquents. In fifty years the average age of arrest has shrunk from forty-five to seventeen.

We observe an increasing indifference in many parents toward the place the Sunday School and the Church should have in the lives of their children. Was there a failure to evangelize the children of a generation ago? Are we going to fail to evangelize the children of this generation? It has long been an established fact that eighty-five per cent of all those who join the Church are won for Christ through child evangelism. If we do not reach to-day's children with the gospel of Jesus Christ, through every means available, the church of to-morrow will be a sad commentary of closing doors both at home and on the mission field.

Perhaps there is no greater work to be done to-day than the evangelization of the nation's children. Certainly, the challenge demands our utmost care in seeking God's guidance in our future ministry. The opportunities for work among children are unlimited. Among the missions operating in Canada specializing in work among the boys and girls are the Canadian Sunday School Mission, the Rural Life Mission, the International Child Evangelism Fellowship, the Child for Christ Crusade, and numerous Christian service centres.

If God has given you a vision of lost boys and girls, the College Missionary Counsellor will be glad to furnish information concerning the above mentioned missions.

RUSSELL FLAXMAN '18, Child Evangelism Fellowship.

## Challenge of the Sudan

Never before has the need for missionary reinforcements been so great in Nigeria, French Equatorial Africa and Anglo-Egypt, the fields which the Sudan United Mission serves. And yet, there is growing a subtle ill-will toward foreigners, including missionaries, and a gradual transfer of loyalty from Christ and His Church to things of this world and politics.

The call is for young people who can give strong and courageous leadership to the hardpressed churches; leaders who can discern the difference between the desire for legitimate emancipation, and the anti-foreign, anti-God communistic teachings. For the issue is becoming clear-cut. It is between nationalism which is being made into a false god, and a sane patriotism subject to the claims of the living God and a living Saviour.

Every missionary going out should be able to make some distinct contribution, not only to the church but to the country at large. Men are in woefully short supply. There is need for doctors, with the gift of surgery; teachers with executive ability; pastors with the qualities of New Testament bishops; printers, builders, agriculturalists. Women nurses and teachers who will be willing to discover and develop African Christian talent, are an urgent need.

The door of the Sudan is still wide open. Some of us believe we hear a creaking of the hinges, portent of an inward moving. By His grace we are determined in these next few years that the Lord shall have our best for the sake of His redeemed ones out there and for the millions still in heathen and Moslem darkness.

Attune your ears to the call of the Sudan. The cry is coming from thousands of Sudanese Christian hearts to your hearts. It is persistent, poignant, peremptory.

You *must* "come over and help us."

VICTOR VEARY '23, Sudan United Mission.

## Missionary Qualifications

At a Missionary Farewell Meeting at T.B.C. one evening, one of my fellow students who has been a missionary in China for many years, turned to me and said, "I wonder, Oliver, if some of these young people going out to the field see very much beyond the boat on which they are going to sail".

Foreign missionary work is God's highest calling! Recognizing this, young people preparing themselves for foreign service should be thoroughly equipped for their task, physically, educationally and above all, spiritually.

Adverse climatic conditions of a foreign country and the intense nervous strain on the mission station require candidates to be in robust health, and able to adjust themselves readily to their new environment.

There is a minimum of educational qualifications, but no maximum! God should have the best as He has enabled us to procure it. Most Boards set Junior Matriculation as the minimum. As wide and varied training as possible is highly desirable.

Most important of all is a thorough training in the Bible, with all the additional related subjects taught in Bible Schools. Nothing else can take its place. Hundreds of T.B.C. graduates serving on the mission fields of the world will endorse this, and will thank Him for the way in which the Word of God was opened up to them in the classroom. Unique is the training woven into the T.B.C. programme. It engenders in the hearts and minds of T.B.C. students, the absolute control of the Holy Spirit, both in the individual life and in the corporate fellowship of the College.

Students! make full use of your years in T.B.C.; they will never come your way again!

R. B. OLIVER '22, Sudan Interior Mission.

## The Call of the Orient

As you come to the day of your graduation and look out upon the world, there are many questions which will come to your mind. Questions as to future spheres of service. Questions with regard to closing doors. Questions concerning God's will for your life. The motto you have chosen is a most appropriate one for this momentous year 1951. There is much talk of defeatism. There is much fear of doors being completely closed to missionary enterprise. And yet, you cannot, with the training that God has given to you, face the world with this attitude of heart and mind. God has led you as a class to sound the triumphant note of victory expressed in your motto: "In Christ we conquer."

Many of you will have your faces turned toward the Orient where, for your class particularly, comes the urgency of the call of the present time. Tremendous opportunities confront you in Japan. This challenging call for missionaries may only be met by graduates of this year. Is Christ calling *you* to this land of opportunity?

India's door is still standing ajar, beckoning you to look with compassion upon its teeming millions. Opportunities abound in that land for you to preach the gospel. Christ still waits to conquer. We have been mourning the loss of a great warrior and leader in Miss Amy Carmichael. Who will follow in her train?

And what shall we say of China? Former graduates responded to the call and God has blessed their ministry in that great land. At the present time the door seems to be closing but could it not be in His will that this field should re-open for the gospel messengers?

The doors of other mission fields of the Orient are still wide open and waiting for those who will go forward in faith to conquer new land for Christ. The challenge today, as never before, is to go out to every region of the earth to set up the banner of the Cross of our all-conquering Lord.

WILLIAM W. TYLER '36, China Inland Mission.

# WHY JEWRY IS EXCITED ABOUT THE SCOTT MISSION

By Rev. M. Zeidman

The Scott Mission is the subject of conversation among Jews in New York and Chicago, in Paris and Berlin, Warsaw and Cracow, Vienna and Budapest, Jerusalem and Tel Aviv.

Q.... Why are Jews talking about the Scott Mission?

A.... Our testimony by word and deed has made a tremendous impact on Jewry everywhere. The comment of the Jewish press also has stirred up the interest.

Q.... What does the Jewish press say about the Scott Mission?

A.... The Jewish Journal, largest Jewish orthodox daily in New York says, "Especially successful in the work of winning souls is the missionary by the name Zeidman. He himself is from Poland, and he busies himself to be Protector of the immigrants arriving from Poland. (Praise the Lord! M.Z.) Zeidman has organized his mission house on Spadina Ave., in the very heart of the Jewish population in Toronto, a sort of Polish Landsmanschaft or Group gathering. This Missionary Zeidman does all he can to receive information when Polish Jews arrive in port, and makes it his business to welcome them, gives them money, rooms—in a word, Missionary Zeidman is very busy".

Q.... Why are Jews in Toronto astir and praising God for the work of the Scott Mission?

A.... It is impossible to report in the limited space of an "ad", all our activities, but the following will illustrate our daily testimony to the Jewish people in Canada, Poland, Israel and elsewhere. A Jewish widow made application, for herself and little child, to go to Fresh Air Camp with a Jewish organization who insisted that the poor woman pay a fee of \$15.00, even though she was without work and had no income. On being refused to be taken to the Jewish camp, the poor woman came to the Scott Mission. We not only did not take any fee from her and the child, but on leaving camp we gave her \$10.00 for services she rendered (washing dishes and scrubbing floors) while at camp. The poor woman has now become an advertising medium for our Mission, for wherever she goes she fearlessly tells the Jewish people what the "Missionaries" have done for her. Many other wonderful things are being done by the Scott Mission, but this is sufficient to show that an aggressive work is done to bring the individual Jews to a saving and redeeming knowledge of Jesus Christ. "Let your light so shine before men that they may see your good works and glorify your Father which is in Heaven".

What a blessed experience it is to have a share in this wonderful work of preaching the gospel to the Jews. We need your prayerful support. Write for our quarterly magazine and free literature on Jews and Judaism.

## A highway shall be there

A new ten-year plan in French Equatorial Africa calls for ten thousand miles of good highway.

For twenty-five years Toronto Bible College grads, serving with the Sudan United Mission in French Equatorial Africa, have been building a highway of holiness unto the Lord.

Time is quickly running out. To complete the task we are opening now: Mission stations in Moslem areas; a college for African pastors; a publishing house for the church in the Tchad.

Has God given you the gift of: Pastor, teacher, printer, agriculturist, doctor, nurse?

The urgent need, and your ability to meet that need, constitute for you now Christ's clear clarion call.

# GIVING CHRIST TO THE WORLD

For almost 150 years the British and Foreign Bible Society has promoted the translation, publication and distribution of the Scriptures. In this great work it is not just a book which has been offered to the people of the world—it is Jesus. We greet the graduates of the Bible College who will soon be going out to preach Christ, by word and deed, in Canada and abroad. The Bible Society can help you make God's word available to those to whom you minister. You can help the Bible Society give the book of life to the men and women of every tribe and nation.

# 99 NEW MISSIONARIES!

At the beginning of 1950, the S.I.M. asked the Lord to fill in the great gaps of the work on our five fields of Nigeria, French West Africa, the Anglo-Egyptian Sudan, Ethiopia and Aden.

## THE LORD SENT US 99 NEW WORKERS!

Amongst them were some T.B.C. graduates:

Rev. Horace K. Braden ('46)      Mrs. Horace K. Braden ('47)  
Miss Lolita Kelly ('49)      Mr. Elvin Harbottle ('48)  
Miss C. Ferrier ('49)      Miss J. Wright ('49)  
Mr. Edwin R. Jones ('42-'43)

These have gone to join the ranks of the 67 T.B.C. graduates serving with the Sudan Interior Mission. Two more graduates, Miss May Gould ('50) and Mr. Vincent Lohnes ('50), are waiting to go to Nigeria.

Africa today, is open to the Gospel, as it has never been before. Have you lifted up your eyes to look on these fields, white already to harvest?

**"WHOM SHALL I SEND, AND WHO WILL GO FOR US?"**

**"Then said I, 'HERE AM I LORD, SEND ME.' "**

# A CALL TO CHRISTIAN YOUNG PEOPLE!

God has been richly blessing the work of the South Africa General Mission during the past years and the work has been greatly expanded. This calls for more workers and more buildings.

The need for MISSIONARY TEACHERS is a crying one. These should be trained, preferably in accredited institutions, but may also be accepted from any normal training college, especially for work in our Primary Schools. African teachers could carry on this work but we earnestly feel that at this stage one or two European teachers are needed in each school to set the standard.

The need for MARRIED COUPLES is another urgent one. Doors of opportunity for the presentation of the Gospel are opening in urban areas and we need trained missionary evangelists and young peoples' workers.

If we are to grasp these opportunities and extend our work in all areas, MISSIONARY BUILDERS are an absolute necessity.

We now have the first wing of our Hospital at Catota, Angola finished. Another is being started at Mukinge Hill, Northern Rhodesia. There are dispensaries on most of our other stations. We need NURSES.

## Tomorrow's Leaders

now in high schools, universities, teachers' and nurses' training schools are being reached today for Christ through the Inter-Varsity Christian Fellowship.

Sixteen staff members are on the field to assist students in Bible study, prayer meetings, missionary and evangelistic programs.

A summer camp program has been established, with Pioneer Camps for high school students in Ontario, Manitoba and Alberta, and Campus in the Woods in northern Ontario for University students.

This student work is not supported by an endowment or financial guarantee. Contributions of Christian men and women are the sole means of support.

Pray for the Inter-Varsity Christian Fellowship. The Intercessor, a monthly prayer bulletin, is available on request.
